Capabilities**Expertise in:**

- Administrative management, operational systems, compliance, and process improvement
- Tailored technical assistance, training, facilitation, and organizational capacity building
- Contracting-readiness assessments, procurement navigation, compliance preparation, and contract-performance systems
- Program and project design, implementation planning, coordination, tracking, and reporting
- Research, documentation, stakeholder and community engagement, and meeting, event, conference, and workshop support

Differentiators

- DC-Based and CBE-Certified: Local presence and familiarity with District government, nonprofit, business, and community-serving environments.
- Direct Owner-Level Oversight: Senior-level involvement, responsive communication, accountability, and continuity throughout each engagement.
- Experience in Complex Environments: Leadership experience across government-funded, donor-funded, nonprofit, and other compliance-sensitive settings.
- Planning Connected to Implementation: Practical solutions supported by organized coordination, tracking, reporting, and follow-through.
- Flexible Engagement Model: Available for direct engagements, project-based consulting, technical assistance, subcontracting, and teaming.

Relevant Experience

- TGS leadership brings **13+ years** of professional experience across operations, compliance, program and project delivery, research and reporting, and stakeholder engagement
- Experience supporting a U.S. government-funded portfolio valued at approximately **\$100 million** across **nearly 20 countries**
- Support for **40+ workshops and convenings serving 550+ participants**
- **Selected TGS Client:** Bethlehem University Foundation
